CSRMA MEMBER CONTACT DIRECTORY

July 2006

As part of CSRMA's ongoing Risk Control efforts, the following is a CSRMA Membership Contact Directory listing a point of contact by area of responsibility within each member agency*. The five (5) areas of note are 1) Workers' Compensation Claims, 2) General Liability Claims; 3) Environmental Compliance, 4) Safety/CalOSHA Compliance; 5) Insurance Issues. The purpose of this contact directory is to provide a resource to the 60-plus members of CSRMA who share many common regulatory, loss-related, operational and other issues. The Directory can provide the members with a contact to share or solicit ideas and solutions to these mutual challenges.

This CSRMA directory is available for download on the CSRMA Risk Control Resource Center website (<http://www.sipeonlinetraining.com/csrmahome.cfm>) and is updated annually. To maintain current contact information in the directory, please forward any corrections/updates to David Patzer via fax at 707-647-7200, or via email to losscontrol@sbcglobal.net or to kaypatzer@sbcglobal.net. Changes/updates can be provided as they occur or no later than June 1 of each year to be included in the annual printing/distribution schedule. *Please be sure the information provided is legible in order to be recorded accurately.*

Thank you for your cooperation and support.
