CSRMA Introduces Monthly Webinars

CSRMA is pleased to announce a new and powerful training resource for its members: [Monthly Webinars!](#)

What is a Webinar?

A Webinar, or "Web seminar," is an online event designed to facilitate communication between a presenter and a large remote audience using the Internet. Webinars reach audiences more effectively than regular in-person events because there is no need to plan travel or reserve conference space.

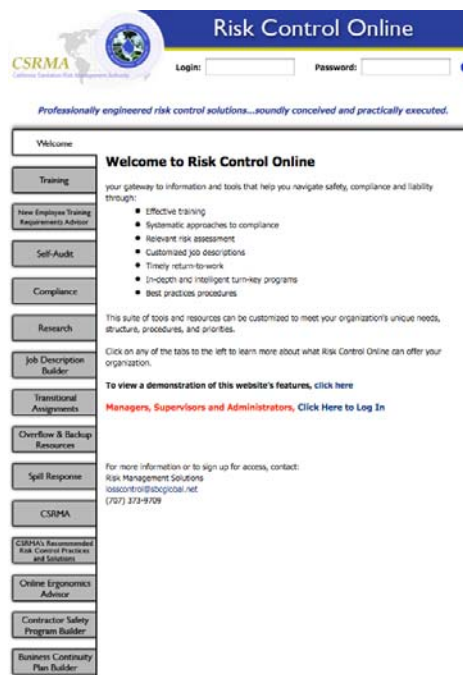

How do I join an online meeting?

Joining a meeting on a PC or Mac® computer is easy and just takes a few seconds:

1. Go to CSRMA Risk Control Online
(<http://www.sipeonlinetraining.com/csrma/>)

2. Click on the **TRAINING** tab

3. Click on **VIEW AVAILABLE SEMINARS**
