Accident Investigation	1	Accident Investigation: The Accident: What to Do (2 copies available)	14 min.	YES	VHS	Review the basic steps for investigating an accident effectively. Assembling an investigation kit; Gathering evidence; Key points in interviewing witnesses	1992
Accident Investigation	2	Accident Investigation: For Supervisors	21 min	NO	VHS	In-depth reivew of how to conduct an accident investigation. Designed to help supervisors develop hands-on skills	n/a
Accident Investigation	3	Accident Investigation: The Big Picture	19 min.	NO	VHS	Discusses unsafe working conditions and exploring creative solutions to prevent future accidents. Gathering evidence; Evaluating accidents; Writing accident reports.	1999
Anchorage	4	Anchorage - Making the Connection	17 min.	YES	VHS	NO LONGER AVAILABLE	1992
Anchorage	197	Anchorage: Making the Connection	17 min		DVD	Hook up with this program now, which adheres to OSHA's Personal Fall Arrest System (1910. 66 app C and 1926 subpart M App C) Standard.	
Asbestos	5	Asbestos Awareness	23 min.	YES	VHS	Awareness level asbestos training. Focuses on maintenance activities	1994
Back Safety	6	Back Protection - Defending Your Safety Zone	19 min.	NO	VHS	Uses sports them to compare physical rigors workers face to the physical challenges of many pro athletes. Review proper lifting, gripping, repetitive task techniques.	1997
Back Safety	7	Back Safety - Posture, Mechanics, and Exercise	19 min.	NO	VHS	Wellness training tips fo preventing back injuries. Uses industrial tasks common to the wastewater industry to demonstrate proper techniques.	1990
Back Safety	8	Back Safety for Landscape, Custodial & Maintenance Workers	20 min.	NO	VHS	An invaluable guide to the basic steps that landscape, maintenance, warehouse and custodial workers should follow to avoid back injuries.	1996
Backhoe Safety	9A	Backhoe Loader Series: Maintenance and Transport	9 min		VHS	(No description available)	1992
Backhoe Safety	9B	Backhoe Loader Series: Safe Operating Techniques	14 min		VHS	(No description available)	1992
Backhoe Safety	9C	Backhoe Loader Series: Pre-Start Inspection	12 min.		VHS	(No description available)	1992
Backhoe Safety	10	Coaching The Backhoe Operator	2 hrs.	YES	VHS	NO LONGER AVAILABLE	
Behavior Based Safety	15	Behavior-Based Safety Series Module 4: Observation and Feedback - Creating Positive Consequences	28 min.	YES	VHS	This 5-part program introduces the basic concepts of behavior, attitude, and culture and it explores the relationships among them.	

CSRMA Video/DVD Library List

Category	Video #	Video Name	Minutes	Matl	Type	Description	Production Date
Behavior Based Safety	16	Behavior-Based Safety Series Module 5: Problem Solving - Removing the Barriers	28 min.	YES	VHS	This 5-part program introduces the basic concepts of behavior, attitude, and culture and it explores the relationships among them.	
Behavior Based Safety	13	Behavior-Based Safety Series Module 2: Behavior Analysis - Understanding the Cause	28 min.	YES	VHS	This 5-part program introduces the basic concepts of behavior, attitude, and culture and it explores the relationships among them.	
Behavior Based Safety	14	Behavior-Based Safety Series Module 3: The Inventory - Defining Behavioral Exposure	28 min.	YES	VHS	This 5-part program introduces the basic concepts of behavior, attitude, and culture and it explores the relationships among them.	
Behavior Based Safety	12	Behavior-Based Safety Series Introduction: Module 1: Foundation Concepts - Shifting	28 min.	YES	VHS	This 5-part program introduces the basic concepts of behavior, attitude, and culture and it explores the relationships among them.	
Bloodborne Pathogens	18A	Bloodborne Pathogens	5 min.	NO	VHS	Protection from bloodborne diseases in the industrial workplace	n/a
Bloodborne Pathogens	17A	Bloodborne Pathogens - The OSHA Standard for Industry	20 min	NO	VHS	Protection from bloodborne diseases in the industrial workplace	1992
Bloodborne Pathogens	210	Bloodborne Pathogens: First Responder	20 min		DVD	Bloodborne pathogens can kill. This award-winning program, designed for industrial employees, workers will get the tips and training needed to guard themselves from such deadly organisms.	
Bloodborne Pathogens	18B	Wastewater Pathogens - Breaking the Chain of Infections	18:37 min	NO	VHS	Protection from bloodborne diseases in the industrial workplace	n/a
Claims Handling	20	Claims - How to Make a Difference	18 min.	YES	VHS	The claims handling process and importance of getting the injured employee immediate medical care. Stresses importance of returning injured employee back to work.	n/a
Compressed Gases	21	Compressed Gases "Safe Handling"	18 min.	YES	VHS	Property handling of pressurized gases requires special skills and training and is the focus of th is important video program	1999
Confined Spaces	22C	Confined Space Entry - Inside Maneuvers - Trainers Toolkit	18 min.	YES	VHS	Uses the USS Atlanta, a US submarine to compare the dangers of working in a confined space.	
Confined Spaces	22B	Confined Space Entry - Permit Required	21:17 min.	YES	VHS	NO LONGER AVAILABLE - See #198	
Confined spaces	166	Confined Space - Atmospheric Testing	17 min	Yes	DVD	Special safety precautions required for confined space ventilation are reviewed.	

CSRMA Video/DVD Library List

Category	Video #	Video Name	Minutes	Matl	Type	Description	Production Date
Confined spaces	137	Confined Space Atmospheric Testing	17 min	YES	VHS	Special safety precautions required for confined space ventilation are reviewed.	
Confined Spaces	22A	Confined Space Case Histories	14 min	NO	VHS	(No description available)	
Confined Spaces	23	Confined Space Emergency Rescue - Prepared for Success	15 min.	YES	VHS	Preparing for confined space rescue	1992
Confined Spaces	198	Confined Space Entry: Permit Required!	21 min		DVD	Protect your employees from the dangers of working in confined spaces; be sure you're in compliance with OSHA 1910.146; covers entry permit requirements, atmospheric testing.	
Confined spaces	106	Confined Space Hotwork (New)	20 min.	NO	VHS	NO LONGER AVAILABLE	
Confined Spaces	204	Confined Space Non-Entry Rescue	20 min		DVD	Covers the dangers of confined spaces and the responsibility of the attendant. Learn how to get someone out of a confined space without endangering themselves. Complies with OSHA 1910.146.	
Confined Spaces	23A	Confined Space Rescue	31 min.	YES	VHS	Reviews OSHA rescue requirements and technical rescue procedures.	1991
Confined Spaces	24	Confined Space Training	5 min.	NO	VHS	(No description available)	n/a
Confined Spaces	25	Confined Space Ventilation	18 min.	NO	VHS	Proper ventilation techniques. Discusses correct placement of supply and exhaust systems.	1992
Confined spaces	147	Hydrogen Sulfide - A Matter of Life and Death	18 min	Yes	DVD	Helps your employees understand the potential hazards of hydrogen sulfide; teaches employees the safe work practices to protect themselves.	2004
Confined spaces	151	Packaging - The Stokes Basket	7 Min.	No	VHS	The Stokes basket has proved strong and versatile in rescue situations. Knowing how to properly utilize this effective workhorse adds a powerful tool to rescue efforts	1995
Confined Spaces/ Welding	120	Confined Space Hotwork: Checklist to Safety	20 Min.	NO	VHS	This program reviews special safety procedures imperative for confined space hotwork: the hotwork permit, special safety equipment, emergency rescue.	1992
Construction Safety	27	Hand Signals for Construction Equipment	10 min.	NO	VHS	NO LONGER AVAILABLE	2000
Construction Safety	112	Hard Hat Safety Series: Boomlifts in Construction	10 Min.	NO	VHS	NO LONGER AVAILABLE	1996

Defensive Driving	34	Coaching the Maintenance Vehicle Operator	4 hrs.	YES	VHS	Defensive driving techniques for the heavy vehicle operators	
Defensive Driving	163	Commerical Driver Certification - A License to Drive	25 min	No	VHS	This program reviews crucial info covered in the CDL test that will help make drivers safer and smarter. Covers: Commercial classes; Safety inspections; Air brakes; Driving skills; Handling cargo.	
Defensive Driving	32	Defensive Driving - A Crash Course	16 min.	YES	VHS	Discusses how to be a defensive driver, recognizing hazards and staying alert.	
Defensive Driving	158	Defensive Driving - For Government Employees	19 min.	Yes	DVD	For govt employees, motor vehicle accidents are by far the leading cause of death on the job. This program looks at techniques to help prevent accidents and to help lessen their severity.	
Defensive Driving	157	Defensive Driving - Prepared for the Worst	18 min	Yes	DVD	Defensive drivers anticipate how to deal with road hazards, poor weather conditions, vehicle collisions and crime. This program shows how to stay in control by being prepared for the worst.	
Defensive Driving	172	Defensive Driving For Govt Employees	19 min.	YES	DVD	For govt employees, motor vehicle accidents are by far the leading cause of death on the job. This program looks at techniques to help prevent accidents and to help lessen their severity.	
Defensive Driving	33	Drive for Life Series: Defensive Driving Emergency Situations	11 min. 11 min.	YES	VHS	Defensive driving techniques for the experienced driver. How to handle emergency situations.	
Defensive Driving	193	Driven to Distraction - AVAILABLE AFTER 9/1/09	17 min		DVD	Program illustrates just how dangerous distracted driving can be; main character is the embodiment of the various distractions - cell phone use, talking to passengers, eating/drinking, etc.	
Defensive Driving	191	Emotional Wreck	23 min	YES	DVD	Learn the official definitions & examples of aggressive driving; See past deadly psychological traps; Apply safe driving practices to avoid or defend against aggressive driving	
Defensive Driving	216	Emotional Wreck - NEW ADDITION!	23 min	YES	DVD	Learn the official definitions & examples of aggressive driving; See past deadly psychological traps; Apply safe driving practices to avoid or defend against aggressive driving	
Defensive Driving	183	Safe Driving: Real, Real-Life	15 min	YES	DVD	This program teaches that ATTITUDE is the key to safe driving. This creative and fast-paced program covers: Road rage; Drinking and driving; Proper vehicle maintenance; Car jacking.	
Defensive Driving	108	Safe Winter Driving	17 min.	YES	VHS	Winter driving present special driving hazards. This program review special safety techniquet to help employees overcome winter driving hazards	
Drug & Alcohol	35C	Collection Procedures (1 video)	16 min.	YES	VHS	NO LONGER AVAILABLE	
Drug & Alcohol	36B	D.O.T. Drug and Alcohol Testing			VHS	(No description available)	

CSRMA Video/DVD Library List

Category	Video #	Video Name	Minutes	Matl	Type	Description	Production Date
Drug & Alcohol	36	DOT Alcohol & Drug Rules - What You Need to Know: Application - Video 1 Information - Video 2 (For Supervisors)	20 min. 20 min.	NO	VHS	(No description available)	
Drug & Alcohol	35B	DOT Drug & Alcohol Rules: Driving Alert (1 video)	38 min.	0000	VHS	NO LONGER AVAILABLE	
Drug & Alcohol	35	DOT Drug & Alcohol Testing/Collection Procedures (BART)	16 min.	NO	VHS	NO LONGER AVAILABLE	
Drug & Alcohol	35A	DOT Drug & Alcohol Training: Supervisor Training (2 videos)	125 min.	YES	VHS	NO LONGER AVAILABLE	
Drug & Alcohol	36A	Recognizing Drug and Alcohol Abuse for Employee	18 min.	Yes	DVD	Helps employees recognize signs of drug/alcohol abuse and understand the importance of confronting it rather than being an enabler by helping a co-worker hide the problem.	2004
Drug & Alcohol	152	Substance Abuse - Awareness & Intervention	25 min	No	VHS	Focuses on helping fellow employees overcome substance abuse; shows how abusers endanger themselves and their co-workers; how supervisors can help employees.	1987
Earthquake Safety	37	Earthquakes - Planning for Disasters	7:59 min	NO	VHS	(No description available)	
Electrical Safety	214	ARC Flash - Live To Tell - NEW ADDITION!	16 min.	YES	DVD	Make sure your workers never experience the devastation of an arc flash explosion. This life-saving training program will bring you and your workers up to speed on the 2009 version of NFPA70E	
Electrical Safety	164	Arc Flash - Safety Awareness	18 min	Yes	DVD	Give your workers comprehensive grounding on safety measures that comply with NFPA Standard 70E. This award-winning program explains the facts on electrical shock, arc flash and arc blast.	
Electrical Safety	167	Arc Flash Safety Awareness	18 min	YES	DVD	Give your workers comprehensive grounding on safety measures that comply with NFPA Standard 70E. This award-winning program explains the facts on electrical shock, arc flash and arc blast.	
Electrical Safety	211	Electrical Emergencies: Proper Response	15 min		DVD	Highlights crucial information on three levels of electric shock, common causes and classifications of fire and proper first-aid measures for shock or smoke inhalation victims.	
Electrical Safety	133	Electrical Safety - Avoid the Risk	12 Min.	YES	VHS	Discusses safe work practices to avoid the risk of electric shock or electrocution. Provides guidelines for working with electrical circuits, proper grounding procedures, lockout/tagout methods	
Electrical Safety	135	Electrical Safety - Basic Principles	15 Min.	YES	VHS	Provides knowledge and application of basic electrical safety principles, safe work practices, correct emergency response procedures, provide definitions for commonly used terms.	
Electrical Safety	38	Electrical Safety - Beware of the Bite	20 min.	YES	VHS	Shows workers how to protect themselves from unexpected electrical shock.	

CSRMA Video/DVD Library List

Category	Video #	Video Name	Minutes	Matl	Type	Description	Production Date
Electrical Safety	134	Electrical Safety - Working Around Live Circuits	7 Min.	YES	VHS	Provides vital lesson for qualified electrical workers; discusses requirements for qualification as specified by OSHA; highlights ways of reducing risk of injury by adhering to Natl Electric Code.	
Electrical Safety	128	Electrical Safety For The Qualified Worker	18 Min.	NO	VHS	Cutting-edge program on the proper methods and precautions to avoid electrical shock, serious burns and arc flash accidents: Correct PPE, Lockout/Tagout Procedures, NFPA 70A, Arc Flash	
Electrical Safety	43	Fatal Shock - Electrical Case Histories	20 min.	YES	VHS	Dramatic re-enactment of actual electrical accidents. Motivates employees to follow proper electrical safety procedures.	1993
Electrical Safety	155	Static Electricity - Solving the Mystery	14 min	Yes	DVD	Covers: Defining static electricity; Identifying dangers of static discharge; Recognizing hazardous conditions; Controlling static ignition; Removing flammable atmosphere.	
Electrical Safety	39	Take Electriciy Seriously - Shock, Fire, Explosion	17 min.	NO	VHS	(No description available)	n/a
Emergency Action Plan	40	Emergency Action Plan	15 min.	NO	VHS	Program will teach employees the basic aspects of emergency action planning; to learn evacuation procedures and the importance of simulations and the responsibilities of all personnel.	1999
Emergency Action Plan	40A	Facility Security	18 min.	YES	VHS	NO LONGER AVAILABLE	2001
Emergency Action Plan	149	Incident Command Systems - When Duty Calls	20 min	Yes	DVD	The National Incident Mg System helps local, federal and state responders work together. Helps responders undersand their roles and responsibilities.	2006
Emergency Preparedness	42	Risk Mgmt. for Small Communities	51 min.	NO	VHS	NO LONGER AVAILABLE	
Emergency Preparedness	41	SEMS Introduction Course	38 min.	NO	VHS	NO LONGER AVAILABLE	
Environmental	114	EPA Criminal Liability: One Man's Story	10 Min.	NO	VHS	Eye-opening special report: a convicted environmental felon talks - from behind bars of a federal prison - about the on-the-job pressures he faced, the laws he broke, the lessons he learned.	
Ergonomics	46	3-M Office Ergonomics: Introduction to Ergonomics Environmental Elements	14 min. 14 min.	YES	VHS	NO LONGER AVAILABLE (Replaced with #46 Office Ergo - It's Your Move)	
Ergonomics	161	Back Safety - Real Life	15 min	Yes	DVD	Reduce the risk of back injuries for your employees. Covers: Types of back injuries; Safe lifting practices; Exercise; Real-life scenarios.	
Ergonomics	168	Back Safety: Lift Well, Live Well	15 min	YES	DVD	This program shows how you can 'head off' back pain through common sense and practical advice: back basics, positive steps, warning signs, proper lifting, exercise.
