Are you getting the most out of CSRMA Risk Control Online? Did you know that you can **register for seminars** online!

1. Click on the Risk Control Online TRAINING tab
2. Click REGISTER under TRAINING SEMINARS
3. Find the seminar you want
4. Click to Register!

Do you know if your written and training programs meet the standards for key regulations? Make sure by going to the **Self Audit page**. There are 35 self audits available including:

- Business Continuity and Disaster Recovery Plan
- Contractor Safety Management Program
- Hazard Communication Program
- Lockout/Tagout Program
- New Employee Orientation Program

Creating Transitional Assignments can be an overwhelming task, but not with the **Transitional Assignment Builder**. Simply click the employee's physical restrictions, choose departments to pull tasks from, and then you get a list of only the tasks the employee can do! Email the Transitional Assignment to the treating physician right from the Builder. **Click here** to view a demonstration.

If you ever have any questions or want more information, contact David Patzer, CSRMA Risk Control Advisor at (707) 373-9709 or losscontrol@sbcglobal.net.
